## Insurance

- Gavin has advised and represented insurance clients on a wide range of coverage issues arising from Commercial General Liability and Property All Risks policies and such events as oil spills, saltwater contamination, pollution, flood, business interruption, plant shutdowns, and mechanical failures, and involving substantial claims in the hundreds of millions of dollars.
- Gavin has also advised and represented both individuals and corporations in disputes with insurers with respect to coverage claims and duties to defend, ranging from individual homeowners with issues arising from flooding in Southern Alberta to contractors and sub-contractors in construction disputes to major oil and gas corporations with complex issues and very large claims arising from damages to pipelines, batteries, and processing facilities, and resultant business interruption in both conventional and oil sands contexts.
- Gavin has acted as an umpire in the resolution of disputes pursuant to the provisions of the Insurance Act.
- Represented a multinational group of insurers in an international commercial arbitration alleging material nondisclosure.
- Represented a multinational group of insurers in a complex series of losses in the United States and Canada.
- Represents condominium owners in a dispute with an insurer related to alleged construction defects.
- Represents condominium boards and business owners in disputes with insurers arising from flood damages.

## Class Actions

- Gavin has been active defending class actions since class proceedings legislation first came to Alberta in 2004. He has acted on behalf of major national and international companies and financial institutions defending employment class actions, payday loan class actions, class actions alleging ponzi schemes and breaches of trust, and securities class actions. He has appeared before both the Court of King's Bench of Alberta and the Court of Appeal and has argued at certification motions, summary judgment applications, and various interlocutory matters. Gavin has also successfully settled class action disputes with Court approval.
- Gavin has also pursued class action proceedings on behalf of plaintiffs, including claims with respect to alleged faulty condominium construction and allegations of shareholder oppression.
- Represented a major Canadian financial institution in defence of a class action alleging knowing assistance or participation in a ponzi scheme with losses in excess of \$100 million.
- Represented a California based financial institution in, and settled with Court approval, a class action alleging involvement in a ponzi scheme.
- Represented a multinational company in, and settled with Court approval, a class action arising from employment and termination of employment of a class of workers.
- Represents condominium owners pursuing a claim against the condominium developer and insurer alleging construction defects.
- Represented companies in the payday loan business in defence of a class action alleging breaches of Criminal Code interest rate provisions.
- Represented a former officer in defence of various class actions in Alberta and elsewhere alleging statutory and common law breaches of securities laws.

## Construction

- Gavin has represented owners and contractors in disputes arising from builders' liens, bonds, construction delays, cost overruns, and faulty design or construction. While these have often been resolved to the parties' satisfaction before a formal hearing, Gavin has been counsel in construction disputes before the Alberta Court of King's Bench, the Alberta Court of Appeal and in a major international commercial arbitration conducted jointly in Calgary and London, England.
- Represented a major oil and gas company in a lengthy trial and before the Court of Appeal in a dispute between an owner and a contractor about liability for cost overruns and delays on a pipeline construction project governed by a cost reimbursable contract.
- Represents condominium owners pursuing a claim against the condominium developer and insurer alleging construction defects.
- Represented a group of insurers based in Canada and Europe in a major international commercial arbitration involving claims in excess of \$200 million focussed on cost overruns and schedule delays arising from construction of a major oilsands project.
- Represented a processing plant owner in an arbitration commenced by the contractor seeking payment for various cost overruns and costs occasioned by delays.
- Represents a manufacturer and supplier in shareholder/partner disputes.
- Represented a foreign plant owner in dispute with a bank and contractor over receipt of payment from a \$5 million performance bond letter of credit.
